Additional Terms and Conditions

Frame allowance is based on wholesale pricing at non-retail locations. Frame allowance, contact lens pricing and policies vary by location. Contact your provider before requesting services.

Benefits may only be used for contact lenses when selected in lieu of all other materials and services. If purchased at the same time from a single provider, you will receive a total allowance of up to \$200 towards the cost of a routine eye exam, contact fitting fees and contact lenses. Any provider charges that exceed this amount shall be the responsibility of the member. Members may be required to pay contact fitting fees out of pocket at some locations.

Benefits and participation may vary by location and where prohibited by state law.

Exam copay is not required if benefits are used to purchase contact lenses from a single provider on the same day of the member's exam. Material copays do not apply to contact lenses.

Benefits may only be used for medically necessary contact lenses when selected in lieu of all other materials.

Additional terms and conditions apply. Contact VBA at 412-881-4900 for more information.
